## ABOUT ME

Hi, I'm Dinesh, Passionate Back-End Web Developer using Python's very own favorite framework Django. I care about writing clean code , agree with the DRY principal and I genuinely love to learn a lot and solving problems really motivates me. I'm currently looking for the right opportunity to work in environment that will help me progress into full-stack developer role.

---

## EXPERIENCE

### Web Development Experience

- Built a blog app where user can post a content, can comment on the content where email verification is must to do so , can edit their profile images and so on.
- Developed an quiz app, cv-maker app using HTML , CSS , JAVASCRIPT and DJANGO.
- Currently working on realtime chat app using web-socket.

---

## PORTFOLIO

All the listed app are on my portfolio.
